**NOTE:** The FRA Studies and Research Committee review all proposals. Proposals received by August 1 will be considered for award by September 30 of that year; proposals received by January 1 will be considered for award by February 28 of that year. A report of progress will be due to FRA Studies and Research Committee by March 1 for awards granted in September, and by September 1 for awards granted in January. Recipients of awards will submit a brief report of their research for possible publication in *The Florida Reading Quarterly* and will be given an opportunity to present their findings at the Studies and Research Symposium at the Annual Conference of the Florida Reading Association. Following the completion of their projects, award winners are recognized at the October FRA Conference.
